ReFit Genuine Exchange Parts

Using **ReFit** Exchange Parts equals less downtime versus reduced operational costs, clearly a win-win situation!

Rest assured, **ReFit** Exchange Parts are overhauled according to our strict quality protocols.

What you see is what you get and what you pay: **ReFit** Exchange Parts uses no complicated core charge system but offers a fixed price basis.

Proper maintenance of your engine's Diesel Particulate Filters is critical to your vessel's performance and overall lifetime. Moreover, ABC **ReFit** filters keep your equipment emission compliant.

- Extensive stocks available
- Remain emission compliant
- Same warranty as new parts
- Reduced downtime
- Class Approval available on request
- Genuine ABC quality

ReFit – The healthy way of thinking

ReSet Genuine Service kits

Overhauling your ABC water pump or injector on site? No problem! But having the exact parts you need in advance will save time and money, that's the simple truth!

ReSet offers a simple ordering system : one code and one package, available through the entire ABC dealer network.

This might be a good time to ReSet your overhaul standards!

- Reduced stocks on site
- Reduced logistics
- Easy to order
- Global efficiency
- All necessary parts in 1 kit
- Guaranteed ABC quality

ReSet your overhaul standards
