

SEASON'S  
GREETINGS!

# EVOLVE

OUR ENGINES ARE FLEXIBLE, YOUR FUTURE IS SAFE

INNOVATION IS A GIFT

## SEASON'S GREETINGS!

Dear Customers,  
Dear Business Partners,  
Dear Friends,

We are deeply grateful for your continued trust and support throughout 2024. Thanks to you, we have achieved significant milestones, including winning several international tenders and signing numerous marine contracts. Your confidence in us has helped us reach new heights.

As we look ahead to 2025, we remain committed to navigating the challenges facing the European manufacturing industry. Working across different sectors and maintaining vertical integration within the ABC Group will help us continue to meet your needs effectively.

We are excited to introduce our new 8-cylinder EL23 engine from the Evolve range, launched at SMM in Hamburg. Our multifuel solutions are designed to support your applications worldwide, ensuring a secure future with ABC. We eagerly anticipate collaborating on your upcoming projects.

We wish you and your families a joyful Christmas, happy holidays, and a prosperous start to 2025. Your satisfaction and success are our top priorities, and we look forward to continuing our partnership in the coming year.

Warm regards,

Tim Berckmoes  
CEO ABC Engines
